*In Light of the pandemic restrictions, we are celebrating a Victorian Christmas differently.*

*For the past 3 years, we have hosted a Victorian Christmas Open House with all the trimmings including tours inside Price House, lavish Victorian style decorations and delicious Tea-Time refreshments.*

***This year,** the Park grounds and exterior of Price House will be festooned with Victorian style decorations. The grounds will be lighted and visitors may stroll along "Candy-Cane Lane". Decorations will be on display starting the first weekend of December*
